

Ashes to Ashes-david bowie

Do you remember a guy that's been  
in such an early song  
I heard a rumor from ground control  
oh no—don't say it's true

they got a message from the action man  
I'm happy—hope you're happy too  
I've loved all I've need love  
sordid details following

the shrieking of nothing is killing just  
pictures of jap girls in synthesis  
and I ain't got no money and I ain't got no hair  
but I'm hoping to kick but the planet is glowing

ashes to ashes—funk to funky  
we know major tom's a junkie  
strung out on heaven's high  
hitting an all time low

time and again I tell myself  
I'll stay clean tonight  
but the little green wheels are following me  
oh no—not again

I'm stuck with a valuable friend  
I'm happy—hope you're happy too  
one flash of light  
but no smoking pistol

I've never done good things  
I've never done bad things  
I never did anything out of the blue  
whoa—whoa

want an ax to break the ice  
wanna come down right now

Ashes to ashes—funk to funky  
we know major tom's a junkie  
strung out on heaven's high  
hitting an all time low

My momma said to get things done you better not mess with major Tom  
My momma said to get things done you better not mess with major Tom  
My momma said to get things done you better not mess with major Tom  
My momma said to get things done you better not mess with major Tom.
