## It Don't Really Matter

It don't really matter  
I don't really care  
for what you have to offer  
you need not ever share

I'm on my own  
don't try to wreck my home  
the life I am building  
is all that you'll find

it don't even matter  
what you do to me  
I'll live out my life  
to be a little free

I'll be on my way  
don't try to stop me please  
how good I feel  
to know I'm not afraid

it don't really matter  
you see what I mean  
without trying ever  
you'll never be free

so come and take a ride with me  
and see for yourself  
that I've got the right idea  
and I'm only trying to help
