words and music   Like it was yesterday
      by

Where will you go without me
where would you be without me
don't you remember the day
don't you remember the day
I, I remember that day
don't you remember the day

I remember the day that you told me that you loved me
I remember the day that you told me that you'd die for me
I remember the day that I broke down and I cried for you
I remember that day like it was yesterday

time seems to go on without you
I'm still in love though I doubt you
and don't you remember the day
don't you remember the day
I, I remember that day
don't you remember the day

I remember the day that you told me that you loved me
I remember the day that you told me that you'd die for me
I remember the day that I broke down and I cried for you
I remember that day like it was yesterday
like it was yesterday
like it was yesterday
like it was yesterday

I remember the day that you told me that you loved me
I remember the day that you told me that you'd die for me die for me
I remember the day that I broke down and I cried for you
I remember that day like it was
I remember that day like it was
I remember that day like it was yesterday
like it was yesterday
like it was yesterday
like it was yesterday.
