Margarita

And it feels like I'm falling
and it feels like I'm falling
in love with you again
and it feels like I'm falling
in love with you yeah

far away but you're in my heart
every day right from the start
we were thrown together
then were ripped apart
far away but you're in my heart

margarita how I love you
margarita how I miss you
margarita I adore you
and it feels like I'm falling
and it feels like I'm falling
in love with you again
and it feels like I'm falling
in love with you yeah

I want to call you but you say it's wrong
I want to hold you all night long
I thought I'd found you but now you're gone
I want to love you all night long

margarita how I love you
margarita how I miss you
margarita I adore you
and it feels like I'm falling
and it feels like I'm falling
in love with you again
and it feels like I'm falling
in love with you yeah.
